DAILY SENTINEL.

A STRONG OBJECTION.—An Ex-Old Maid writes the Evening Post in opposition to the nomination of Buchanan. Her views are so forcible and original that we give them entire:

"The Presidential chair (I presume that is sufficiently capacious) should, at any rate, be occupied by a complete Human Being, and this fact of itself, should dispose summarily of the claims of the more or less honorable Buchanan; for if there is one principle more clearly settled than any other, it is that an Old Bachelor is at most but half a man; and how can such a person make more than a Half-President? Now, sir, it is bad enough to have a man at the head of the White House who is destitute of a back bone; but to have one who, in addition to his anatomical defect, has the moral defect of being destitute of his most natural and essential complement—a Wife—would be truly monstrous. Imagine the disgrace of having our National Palace converted into a Bachelor's Den; our National Board presided over by a Single Man; our National Fire poked by a single Tong! Old Maids are excusable—their position not being a matter of choice; but old bachelors—bah! The very name is sickening. The wife who will let her husband vote for such a man, ought to be lynched or, if you prefer, Brooksed. I ask you, sir, if it is not notorious that old bachelors are the most selfish, the most intriguing, the most dangerous, the most dyspeptic of mortals? And then to think of a bachelor who has lived in Europe! I decline to pursue the subject; my motto is that of the Western hunter: "Bear and [illegible]."

The following incidents in the life of Col. Houghton of Hunterdon Co., N. J., the grandfather of the late eminent Baptist minister, the Rev. Spencer H. Cone, D. D., shows what our fathers thought of the relation between Bibles and rifles, and the bearings of Christian duty upon a great public exigency, when unjust and oppressive violence threatens our fellow-citizens in ever so distant a part of our common country:

"It was in Hopewell Baptist meeting house, where Conant Cone and Alice Houghton alike worshipped, and where they were immersed, that Joab Houghton received the first news of the battle of Lexington and the defeat of the Earl of Northumberland, the haughty descendant of the hero of Chevy Chase, by half armed yeomanry of New-England. Stilling the breathless messenger, he sat quietly through the services, and when they were ended passed out, and mounting the great stone block in front of the meeting house, beckoned to the people to stop. Men and women paused to hear, curious to know what so unusual a sequel to the service of the day could mean. At the first words a silence stern as death fell over all. The Sabbath quiet of the hour and the place was deepened into a terrible solemnity. He told them all the story of the cowardly murder at Lexington by the royal troops; the heroic vengeance following hard upon it; the retreat of Percy; the gathering of the children of the Pilgrims round the beleaguered hills of Boston. Then pausing, and looking over the silent crowd, he said slowly:—'Men of New Jersey, the red-coats are murdering our brethren of New-England! Who follows me to Boston?' And every man of that audience stepped out into line and answered 'I!' There was not a coward nor a traitor in old Hopewell meeting-house that day."

KANSAS NOTICE!

There will be a meeting of the *Wisconsin Kansas Central Committee* at the rooms of the State Society, 198 East Water Street, on Wednesday morning, June 11th, at 10 o'clock. Important business will be brought before the meeting by the *Illinois Central Committee.* A full attendance is earnestly requested.

C. T. HOTCHKISS, Sec'y.

Milwaukee, June 9th, 1856.

NEWS OF THE MORNING.

The meeting of the Kansas Committee, called in the above notice, is one of great importance, and it is hoped that every member will be present.

We have this morning a brief letter from Mr. Ladd, and another article, both showing what reasonable Southern men think of the outrages in Kansas.

The Detroit and Milwaukee Railway has, it will be seen reached Corunna about half way across the State of Michigan. Push on that columds, neighbors of the Wolverine State?

We have an unusually large variety of items from our state exchanges, many of them quite interesting.

The "Pro-Slavery" Platform.

In their hot haste to get the inside track in this State, the Barstow Managers of the Ratification fizzle, last Saturday night, forced down the throats of the meeting the following, among other "cut and dried" resolutions:

Resolved, That the platform and resolutions adopted by the Convention are just and democratic in principle, are eminently national in tone, and as such we give them our hearty and unreserved endorsement.

As probably not one in fifty of the few hundreds on the square had seen either the platform or resolutions, they were obliged, of course, to "go it blind," as those of them who voted *did.*—Here are some of the specimen bricks of the platform, to which the democracy of Wisconsin are thus committed, in advance, by their leaders:

Resolved, That the Constitution does not confer upon the General Government the power to commence and carry on a general system of internal improvements.

Resolved, That the proceeds of the public lands ought to be sacredly applied to the national objects specified in the Constitution; and that we are opposed to any law for the distribution of such proceeds among the States, as alike inexpedient in policy, and repugnant to the Constitution.

Resolved, That claiming fellowship with, and desiring the co-operation of all who regard the preservation of the Union under the Constitution as the paramount issue—and repudiating all sectional parties and platforms concerning domestic slavery, which seek to embroil the States and incite to treason and armed resistance to law in the Territories; and whose avowed purposes, if consummated, must end in civil war and disunion—the American Democracy *recognize and adopt the principles contained in the organic laws establishing the Territories of Kansas and Nebraska* as embodying the only sound and safe solution of the "slavery question" upon which the great national idea of the people of this whole country can repose in its determined conservatism of the Union—NON INTERFERENCE BY CONGRESS WITH SLAVERY IN STATE AND TERRITORY, OR *IN* THE DISTRICT OF COLUMBIA.

Resolved, That we recognize the right of the people of all the Territories, including Kansas and Nebraska, acting through the legally and fairly expressed will of a majority of actual residents and whenever the number of their inhabitants justifies it; to form a Constitution, *with or without domestic Slavery,* and be admitted into the Union upon terms of perfect equality with the other States.

The first of these resolutions is a re-affirmation of a plank in the Baltimore Platform of 1852. It means, in plain terms, *No appropriations for Western Rivers and Harbors.*

The second, following immediately upon the enactment of half-a-dozen laws by the present Congress, distributing the proceeds of the Public Lands among half-a-dozen States for Railroad purposes, is a fitting commentary upon the *sincerity* of "democratic" professions.

The third is an out-and-out endorsement of the Kansas-Nebraska Iniquity, and pledges Mr. BUCHANAN, if elected, to "follow in the *footsteps*" of PIERCE & DOUGLAS.

The last places Liberty and Slavery upon an equal footing, and claims for the one the same rights, privileges and immunities which our Constitution and Laws guarantee to the other.

This is the entertainment to which the Freemen of the North are invited by the Pro-Slavery Managers of the Sham Democracy.

THE "CHIVALRY" AND BROOKS.—A meeting at Columbia, S. C., has commended very warmly the gallant Brooks, for his cowardly and ruffian-like assault upon Mr. SUMNER. The Speakers were quite warm in their praises of this "chivalric" proceeding. One of them, Mr. DE SAUSSURE, professed his high admiration for Brooks.—Another, Mr. PRESTON, complimented Gov. ADAMS (the State Executive) for his official endorsement of Brooks, and expressed the hope that the public funds of the State would be freely used "in defending and sustaining her representative."—A third, Mr. BELLINGER, was delighted with Brooks, and, among other pretty things, said this:

> He considered the castigation applied at the right time—in the right place—on the right individual—by the right man, and with the right instrument, *that instrument with which we chastise the objects of Senator Sumner's false-hearted benevolence and hypocritical humanity, when they become insolent.*

A striking illustration for a Slave-driver, and a characteristic touch of "Chivalry." These gentlemen (?) propose to punish "Free Speech," as they do their "insolent" *Slaves,* by cudgelling the offenders. How do Northern Freemen relish the prescription?

THE "NEWS" ON MEETINGS.—When Market Hall was crowded to suffocation, a few evenings since, by an earnest and enthusiastic audience, to hear Col. LANE upon the wrongs of Kansas, our neighbors of the *News* pronounced the meeting a "decided failure," and "but few persons in attendance." On Saturday evening last, when the leaders called together the democracy, by sound of drum and roar of cannon and show of placards, to ratify the Pro-Slavery nomination of Buchanan, and only three or four hundred responded to the call, the same *News* describes this slim gathering as "very large and enthusiastic" Those who were present on both occasions have now an excellent standard furnished them by which to measure the veracity of the "official" organ.

☞ We get the Milwaukee *Daily Sentinel* regular *every other day,* and on Wednesday we do not get it all. The readers of the *Sentinel* complain bitterly because they cannot get their Daily only three days in a week.—*Appleton Free Press.*

We can only assure our friends that their papers are regularly mailed in time, and we do not doubt that they leave this city daily. If any one can explain the mystery, we will do what we can to correct the difficulty.

☞ The Washington Star is informed that the paragraph stating that money and property have been settled on the widow and children of the late Thomas Keating, by Mr. Herbert, of California, now being extensively published, is a mistake. No such settlement or gift has been made to them.—*News,* of Saturday.

Of course not. The story was "a weak invention," designed to throw dust in the eyes of the murdered man's countrymen.

SHEEP-SHEARING FESTIVAL.—The Wisconsin Farmers & Mechanics Club hold their Annual Fair at Whitewater on Wednesday of next week, the 18th inst. A liberal premium list is offered, and there will doubtless be a fine display.

From Kansas.

We received yesterday two long letters from our Kansas correspondent, referred to in his lately published letter as having been sent by private hand. The information by them having been long since anticipated, we give only a postscript written at Leavenworth on the day after the destruction of Lawrence:

THURSDAY MORNING, May 22.

Lawrence is in ashes—the deed is done which immortalizes this Administration in infamy, breaks the bonds of the Union asunder, and consigns the institution of Slavery to external death.

John Hutchinson, Esq., returned this morning from Lawrence, for which place he left here yesterday morning in the stage, in company with three other gentlemen and the driver. Long before reaching the town the dense and heavily rolling smoke over the spot indicated but too plainly its fate. They proceeded without encountering any person from whom they could obtain information to within 100 rods of the bank of the river opposite the town. Here they were met by an elderly gentleman, calling himself Dr. Slaughter of Kentucky, who gave him the information with which he returned to this place. The gentleman was a Kentuckian, a man of talent and intelligence, and evidently of influence. He said he had come into the territory a pro-slavery man, landed at Kansas City a week ago, had been in the camp of the invaders ever since, and marched with them to Lawrence to learn the true state of affairs, but scenes had been enacted there which he did not before consider possible, and he wept like a child. He affirmed his readiness now to join the free State people and drive the invaders from the Territory.

At 3 o'clock yesterday morning, Marshal Donaldson entered Lawrence with a posse of 15 men and arrested Col. Deitzler and G. W. Smith, Esq., the remainder of the force, consisting of 800 men of whom 250 were horsemen, occupying the heights back of the town. After this, the Marshal turned the force over to Sheriff Jones, who was there in person, and they were marched into town. The arms were given up. The two printing presses were thrown in the river. About noon artillery was ranged on the opposite side of the street in front of the "Eldridge House" (Free-State Hotel,) the women and children having previously been notified to leave the house, and commenced playing upon it, but the strength of the walls prevented much effect. A keg of powder was exploded inside but still without producing much effect on the walls. The house was fired and the town sacked and burned. Five men were killed, but no names given. Mr. Hutchinson was advised not to attempt to enter the town, as it was full of drunken and infuriated men. This was last evening, about sundown.—Soon after Hutchinson and party met Dr. Slaughter, he, remarking from his observation that four of the five men in the carriage were eastern men, said that he could talk freely to them. He took a seat in the carriage and one of the passengers took his horse. They came on 5 miles to the Indian Cicoxie's, and all but Hutchinson stopped there for the night. He walked on to Tongenoxie's, another Indian, 10 miles this side, called the half way house between Lawrence and this place. There he procured a pony and rode in, arriving here at sunrise. The people principally left the town.

The Press Speaking Out.

We are glad to find another of our democratic cotemporaries speaking out, in manly and spirited terms, its indignation at the brutal assault of the craven *Brooks* upon Senator SUMNER, and the atrocious outrages perpetrated, under color of law, and with the aid and countenance of the Federal authorities, upon the people of Kansas. It is the Manitowoc *Tribune* which thus denounces these inexcusable wrongs:

> There may be reason, perhaps, why an expression of opinion upon the dastardly attack of Mr. Brooks upon Senator Sumner, the destruction of the city of Lawrence and other outrages in Kansas, should be withheld, but there are considerations which rise above them *all,* and we are free to express our own, uninfluenced by official patronage and unchecked by the frowns of the high or humble. When a cowardly and brutal assault with a bludgeon upon an unarmed man, while engaged in the duties of his official position, is defended and styled "a chivalrous act;" when the worst rabble are imported into United States Territory for the purpose of intimidating actual settlers and shooting them down; when the spirit of destruction, venting itself in razing buildings to the ground with cannon, and destroying printing presses and type during a cessation of hostilities; when robbery and murder are defended by the paid minions of a hireling press, and the example is held up as a worthy one to the youth of the rising generation; then it is time for the free and outspoken press to keep quiet no longer.
>
> Unawed by the power of political demagogues—uninfluenced by the hope of reward, with no object to gain, save the approval of the wise and good, and of our own conscience, we denounce these acts as cowardly, brutal, and entirely unworthy the confidence of men of principle.

The Report in the Sumner Case.

The full report of the testimony taken by the House Committee in the matter of the assault upon Mr. Sumner shows that the affair was even more criminal than heretofore considered, having been coolly planned and premeditated. Not a single mitigating fact is shown. The conduct of the southern Senators and of Douglas, who refused to interfere, is proved to have been as dastardly as it could well be; and it appears in evidence that Edmonston, Brooks' colleague, advised that cowardly assassin not to give Mr. Sumner a chance to resist. Was there ever a more execrable deed? Henceforth let the meanest and most cowardly assaults be called "Brookeries;" although we doubt if ever in the North an assault of a vile enough character can be found to deserve the name. In the South they call it "chivalry" and "gallantry."

Disturbance of Meetings.

> We have observed on two occasions a disposition on the part of ten or twelve Know Nothing Shanghais, to disturb Democratic meetings. We sincerely regret this, as we fear it may lead to results which all will deplore, if persisted in.—But if the men engaged in it conclude to try it again, the responsibility will rest upon them.—*News of Sunday.*

The *News* alludes, no doubt, to the awkward questions "sneered" at Don Upham, at the meeting on Saturday night. But the disturbers were neither "Shanghais," nor "Know Nothings." They were true-blue Democrats, and not a few of them Irishmen, who have begun seriously to doubt whether shooting down Irish waiters at Washington Hotels, assaulting Senators on the floor of the Senate, and burning, plundering, and murdering in Kansas, be sound Democracy. No doubt, they are willing to shoulder "the responsibility" with which the *News* threatens them.

THE MADISON CONVENTION.—The *Atlas,* the German Republican paper in this city, whose editor was among the signers to the call for the Mass Convention, thus frankly and fully endorses the proceedings of the Delegate Convention:

> "The Republican State Convention was held at Madison on Wednesday last, and was a successful affair. The delegates were in the best spirit, passed excellent resolutions, and appointed men, known by us as true and decided Republicans, as delegates to the Philadelphia Convention. Considering, further, that the appointed delegates are in favor of Seward, Chase, or Sumner, every one can be satisfied with the result of the Convention, and we are much rejoiced that some apprehensions in regard to the Delegate Convention, were not confirmed."

RAILROAD MEETING AT APPLETON.—A large meeting was held at Appleton on the 4th, to take measures for the building of the railroad from Oshkosh to that place. An earnest spirit was manifested, which will doubtless soon result in the completion of the much needed improvement.

☞ The venerable Abijah Mann, Senior, died a few days since at Batavia, N. Y., in the 95th year of his age. He was a native of Hebron, Conn., and one of the early settlers of Fairchild, Herkimer County, in the State. He was the father of the Hon. Chas. A. Mann, of Utica, and Hon. Abijah Mann, Jr., of Brooklyn.

Second Madison Regatta.

MESSRS. EDITORS:—I observe in your notice of the Regatta, to take place here on the 4th of July, you regret that some arrangement has not been proposed by which some of the Milwaukee club boats could enter for the sport. I can assure you that nothing would be more gratifying to our citizens than to make such an arrangement, and if you will be kind enough to give us an idea of what would be most agreeable to the Milwaukee, clubs immediate steps shall be taken for their gratification and prizes worth competing for offered.

Respectfully yours,
CHAS. GEO. MAYERS,
Secretary of Club.

(A fair offer, certainly. Now if any of our Boat Clubs want to compete for a rowing prize over the crystal waters of Lake Monona, on the coming 4th of July, let them so signify to Mr. MAYERS, and they will have a chance to do so.)

ED. SENTINEL.

Republican Mass Meeting at Fort Atkinson.

—A friend writes to us from Fort Atkinson, Jefferson, County, that a Mass Meeting is to be held at that place on Saturday, of this week, to form a County Kansas Aid Society. He says:

> "*Free Kansas* has many warm friends in this county, and if some organization can be effected, their "practical sympathy" will no doubt be manifested. Hoping that every county in the State may do *something* in this the trying time of Kansas' need, believe me in behalf of the community." Yours &c. M.

The *Free Democrat* and *Wisconsin* are requested to notice the meeting.

COMPLIMENT TO LT. GOV. KOERNER.—The Germans of Chicago gave their countryman, Lt. Gov. KOERNER, a serenade the other night. He came out and spoke to them briefly, but earnestly.—Elected as an old-line Democrat, he could go with his party no longer in the traces of Slavery, and he said that Bissell and Hoffman would sweep the South like a whirlwind, and enjoined it upon his countrymen to see to it that the ticket was equally well supported at the North.

PIERCE FAINTING AGAIN.—The Cincinnati *Commercial* of the 3d says:

> "It was currently, and we think credibly, rumored at the Burnet House, last night, that a letter from Pierce had been received, requiring his friends to withdraw his name."

Not so. He held on till his vote dwindled down to 3, and then his New Hampshire friends withdrew him. Poor tool! the South has used him, and now refuses the pay.

GREAT TRIP.—A correspondent of the N. Y. *Post,* writing from the Clifton House, Niagara Falls, says:

> There is a fine steamer plying on the river between Buffalo and the Canadian river ports, which I recommend all travellers coming to the Falls to make use of. The voyage is of but an hour's duration, and highly picturesque.

Picturesque, indeed! The first time the writer takes the trip, we hope he will tell us all about it.

U. S. TROOPS FOR KANSAS.—The Buffalo *Commercial Advertiser* of the 5th notices the arrival in that city of 150 U. S. troops bound for Kansas, *via* Chicago.

CHICAGO, ST. PAUL & FOND DU LAC R. R.—The following is an abstract of the passenger earnings of the Northern Division of the Chicago, St. Paul and Fond du Lac Railroad for the month of May. We think it a very favorable statement, when it is considered that the first week in the month, the La Crosse Company were carrying but little freight on account of their road being in bad order, and during the time the guage on our road was being changed, no freight was transported. This shows the freight earnings for two and a half weeks, and the increase over April is an evidence that the business of the road is increasing rapidly.

Earnings for the month of May:

The First Cannon-Shot Fired against Lawrence.

The correspondent of the Missouri *Democrat,* after giving some particulars of the attack on Lawrence, already published, says:

> "The first cannon was poised by David R. Atchison—his object the front of a hotel fifty feet square, distance two hundred yards. He acted as gunner, and directed the elevation of the gun in a manner rather laughable—half seas over, he squints along the gun, and says: "Boys, put it up lower; down a little higher; all ready; blaze away!"—and whiz went the ball—not through the hotel, however, but by the corner, and down into the ravine. An Ex-Vice-President of the United States acting as head gunner to a mob which came to Lawrence to demolish a hotel and two printing presses!

THE RAILROAD IS COMING!—Forty workmen this week commenced excavating earth, near where the depot of the Milwaukee and LaCrosse Road is located in this city. In a private letter to us from a friend connected with the road, he stated that the cars would surely be in Portage before six months. Railroads are built quicker in our level western country, by our western enterprise, than they are through the big hills down east.

Real estate is rapidly rising in virtue, and a new impetus is given to all kinds of business, by this unmistakable evidence that the Railroad is close to us.—*Portage Independent,* June 6.

U. S. TROOPS FOR KANSAS.—Several Companies of United States Infantry, from Governor's Island and Fort Hamilton, passed through this city this morning en route for Kansas. They numbered about 175 men. They will be followed daily with similar detachments from the same stations until the whole shall number about one thousand men. They go to preserve "law and order."—*Albany Journal.*

L. P. HARVEY.—This gentleman was made chairman of the State Central Committee by the Convention on the 4th instant., because the post demands a thorough Republican and an energetic worker. Both of these are combined in Mr. Harvey, as every one will attest who is acquainted with his character as a politician. His appointment is a guarantee that so far as the committee is concerned, this campaign will be conducted with ability and decision.—*Janesville Free Press.*

☞ Preparations are being made to commence in earnest, the work of building the Mil. & Miss. R. R. at this point. The Company have advertised through their Agent, A. McDougal, for 500 laborers to be employed on the work immediately.—*Prairie du Chien Courier.*

A FREE PRESS FOR KANSAS.—A gentleman, who has filled the Executive Chair of one of the free States, handed us a check for fifty dollars yesterday, to aid in the restoration of the *Herald of Freedom* in Lawrence, adding "as often as the Border Ruffians destroy it, I will double the subscription."—*Chicago Journal.*

MIDDLE PIER COMPANY.—This Company have just completed the construction of one of the best Piers on the Lakes and are now prepared to do a general forwarding and commission business, as will be seen by reference to our advertising columns. The first pile for this pier was cut sometime in January 1856. It will be seen by this statement that the building of this pier throughout was accomplished within the space of five months.—*Ozaukee Adv.*

AGENT FOR CLEMENT'S LINE.—We learn that Capt. Lion Silverman, proprietor of the South Pier, has been appointed Agent for Clement's Line of boats at this port. Mr. S. is authorized to ticket passengers and receipt freight to any port favored by this excellent line of first Class Steamers.—*Ozaukee Adv.*

A Kentuckian's Testimony for the Free State Men of Kansas.

[From the Paris (Ky.) Western Citizen, of Friday, May 30.]

Our friend Sebree, just returned from a trip to Kansas, handed us yesterday morning, an extra, printed at Westport, Mo., on the 23d, giving an account of the late proceedings in the territory. It does not differ materially from the accounts received by telegraph, and to be found in another column. It states that a company of about two hundred armed Free State men had collected at Lawrence, on the day after the assault upon that place, and an attack from them upon the town of Franklin was feared. The account is inflammatory, and counsels still further violence. It contains the following significant passage: "Our Missouri friends must understand that this is but the beginning of the end. We want you still"

Mr. Sebree says that large numbers of Missourians are in the territory, and that the supply of them is only limited by the demand. The representation he makes of the men who compose the body of the pro-slavery party, and of their proceedings is not very flattering to them. He says that decent Southern men who go there under no undue excitement, are ashamed of them, and he saw some such, whose minds on the subject of slavery in Kansas and undergone a complete change. The large company of Southern emigrants recruited in Alabama by Major Buford, he represents as a miserable set of drunken loafers, many of whom have died in consequence of their vices and imprudence, and all of whom are cursing the men that induced them to go to the country. Mr. Sebree says it is generally conceded, that of the actual citizens of the territory, two to one are in favor of a Free State, and that with the exception of a comparatively small number of brawlers, they are quiet industrious men, seeking to establish homes for themselves and their families. They have been outnumbered and outvoted by the people from the borders of Missouri, who have been organized for that purpose. These are unpalatable truths for Southern men, but the sooner the truth is known the better. Mr. Sebree thinks that the war has but commenced, and that in a very short time, thousands of armed men will be in Kansas from the Free States.

THE MILWAUKEE KANSAS CO.—On Friday last, E. G. Ross, Esq., (formerly foreman of the Milwaukee Sentinel office, with his company passed through this City en route for Kansas. We venture the assertion, that a finer company never left their eastern homes for settlement in the far West. The men are fully able to perform any kind of duty which they may be called on to perform, whether as farmers or mechanics. Their wagons are fitted up with an extra care for comfort and convenience. Mr. Ross the captain of the company, has a beautiful rifle of Milwaukee manufacture, with the following inscription neatly engraved on a silver plate:—"Presented to E. G. Ross by his comrades in the Milwaukee Sentinel Office, as a mark of personal regard and an earnest of their good wishes for Freedom in Kansas. Milwaukee, April 5th, 1856.

A gentleman of this city presented a choice and valuable revolver to one of the company.—The boys in the Journal Office, true to the general instincts of the "Craft," gave several pounds of "bait" for Deer and other kinds of game.—Some other donations were made. The company will go by the way of Dubuque through Iowa, and will comprise on leaving the State, from a hundred to two hundred and fifty persons.

God bless and sustain them through all their privations and troubles! May their success equal their courage and self-devotion.—*Beloit Journal,* Jund 6.

DETROIT AND MILWAUKEE RAILWAY.—The work of laying down the track of this road is progressing rapidly. The whistle of the engine used in bringing up the iron and distributing the ties along the road can now be distinctly heard in this village; and we may certainly look for a train of cars to arrive in town in a few days. The track is completed to within some three or four miles of this village, and every night brings us to from a half to three-fourths of a mile nearer the western terminus of the operative part of the road.

Before we issue another number of our paper we hope to be able to announce the intelligence that the track is laid down within sight of us.

"The ladies—God bless them" for their noble deeds, are taking steps for a grand display on the first arrival of an eastern train. We understand they propose to treat our friends from Detroit, Pontiac, and other places on the line, coming up on the first train, with a fine repast got up for the occasion. Our eastern friends may be assured that when the ladies of Corunna take hold of a thing it will be done up right.—*Corunna Democrat, May 30.*

C. C. WASHBURN & CO.—Messrs. Washburn & Woodman having closed up their business, a new firm under the above name has been formed.—They opened on the 1st inst. a Banking and Exchange office in our village, and on the completion of the M. M. & R. R. we are informed, they will be prepared to furnish from their shot-tower, at Helena, all the shot needed for the Wisconsin markets. This tower is said to be one of the best in the United States, and Messrs. Washburn & Co. are intending to keep it in operation, and to make there a large amount of shot, which will be furnished to dealers on the best terms. Wisconsin merchants, we presume, will prefer, in this instance, to patronize home manufactures.—*Mineral Point Democrat*

THE EXPENSE OF DRINKING WHISKEY.—In the Police Court proceedings in Milwaukee for Monday last, we find the following aggregates to be chraged to the whiskey traffic. Eleven men fined for being drunk from $1 to $10, total $26; seven for being disorderly from $1 to $8 total $15,50; four were sentenced from 5 to 50 days imprisonment, total 75 days. Estimating the number of days imprisonment at $1,25, which is the ordinary price for labor, we have $93,75. To this sum add the other fines, and we have a total of $135; to whicq we may also add at least $13 more, as the liquor bill of this band of drunkards, and then we have an aggregate tax of $137,25 paid by 22 men in one day, and that too out of funds which legitimately belonged to needy families.—*Fond du Lac Herald.*

SAD ACCIDENT.—An Irishman named McCabe was accidentally shot in this city on Thursday evening, under the following circumstances:—Mr. Wm. Haskell shot at a dog with a revolver, when the ball missed the dog, and striking something, glanced and struck McCabe who was standing considerably to one side and about 20 rods from Mr. Haskell. The ball entered the lower part of his body. He is not expected to live.

P. S. Just as we go to press we learn that McCabe died on Friday evening, about 9 o'clock.—*Dodge Co. Citizen* (Beaver Dam.)

MINNESOTA is the model of a prosperous, peaceful well governed Territory. The Legislature has just adjourned, having disposed satisfactorily to the whole population, of all business brought before it. In reply to the circulars addressed to the members, to Post Masters and other persons in public position, returns of the population have been collection to May 1st. It is ascertained, with reasonable accuracy, to be 120,000, more than sufficient to justify the admission of Minnesota as a State.

☞ The Springfield *Argus* speaks of a new rifle musket manufactured at the U. S. Armory, in that city, has just been brought to perfection under the direction of the war department, and which will hereafter be made for the service.—This weapon weighs about 9 1-2 pounds, has the rifle barrel, the Maynard Primer, and all the improvements which modern science has brought to the aid of this branch of manufacture.

IMPROVEMENTS, BUILDINGS, &C.—In all parts of the city we see a spirit of improvement manifested by our citizens. Lower Town is improving rapidly, Mr. Foster's Hotel is being completed with all possible dispatch, John Bannister & Co. have found their warehouses insufficient for the immense amount of freight which is arriving and departing constantly, and they are adding a building forty by seventy feet, to their large warehouse and the frame work is already up, besides this, numerous buildings are being erected for dwellings and stores.

The work on DARLING, WRIGHT & CO.'s new Bank, is progressing finely, and the work of laying the foundation for J. Q. GRIFFITH's block, opposite the Lewis House, will be commenced this week and pushed to a rapid completion, and when completed they will not only be an ornament to the city, but give evidence of the energy and enterprise of our citizens. Buildings of antiquated and dilapidated appearance are being moved away to give place to those of a more modern style—old fences are pulled down and new ones put up, and our citizens are adoring their residences by planting fruit and ornamental trees. The "old fogy" doctrines which have so long clung to the people, have been thrown off and the fire of progress is beginning to burn.—*Fond du Lac Union.*

☞ A raft of pine logs of near 1,000,000 feet designed for this place, was broken up and scattered by the storm on Sunday last. They were in tow of a horse-boat; which, by the way, has no business on Lake Winnebago in this day of steam.—*Neenah Cons.*

☞ We call attention to the advertisement of Messrs Noyes, Flertzheim & Co., of their Premium Furniture Establishment. On a visit to Milwaukee, last week, we called at the'r rooms, and can therefore speak from "ocular demonstration." We can assure one and all, that if they will only call on these gentlemen, if they have any occasion to visit the "City of Bricks," that from the obliging manner and polite reception which they will receive, it will be impossible for any rational being to go away dissatisfied.—*Columbus Journal.*

MARRIED.

Bacon, bxs	563
Wheat, bus	415,702
Beer, bbls	2,590

Business during the past week has presented no unusual features in general trade. There is no complaint among merchants for want of plenty of customers for their stocks, which are large, but money is scarce and very difficult to be had on any living terms.

In the produce trade there have been some fluctuations. Wheat touched bottom about Wednesday, good spring having been sold on that day as low as 90c from wagons, and 95 at depot. Since then, the receipts having fallen off considerably, and the eastern markets being more favorable, the market has recovered somewhat, and sales of some 1 500 bags were made yesterday on the platform at depot at $1,03a1,05, mostly at the outside figure. Winter, not much demand—sales to mills at $1,20a1,30. The receipts from the country for the week have reached about 75,000 bus.

FLOUR—Few sales here, except in small parcels to retailers. Some 200 bbls of a good brand country extra sold on Saturday at $4,75.

BARLEY—But little demand, and we quote nominally at $1,20a1,30.

RYE—Sales of small lots at 80a85.

OATS—Lots of 700 to 1,000 bus continue to come in from the South, and go into retailers hands, selling at 37a38c.

CORN—A few lots sold at depot at 84a85c.

BUTTER—Fallen considerably, and we quote as Saturday's rates, common to good firkin at 13a16, and fresh at 16a18.

SUGARS—Advancing in the market, though dealers here have not yet changed their rates. We continue our quotations for the present.

WOOL—But few fleeces received as yet. Farmers have their ideas of prices, we fear, raised unwarrantably by rumors among them of a great scarcity in the markets, but still we think they can depend upon a rise of 3 or 4 cents over last year's rates. We quote nominally, common fleeces at 25a27, half to ¾ blood 28a31, full blood 32a35, and fancy clips at higher figures.

FREIGHTS—Dull—no figures to Buffalo for some days past—5c to Oswego yesterday.

Land Warrants.

We have ascertained that lands are to be granted to be granted to all the following Statates for railroad purposes:

	Acres.		Acres.
Iowa	4,000,000	Florida	1,500,000
Wisconsin	2,000,000	Alabama	4,000,000
Michigan	2,000,000	Louisiana	1,000,000
Minnesota	2,500,900	Missouri	1,500,000
Arkansas	4,000,000		

The acts for the first five named states have been signed by the President. Louisiana has passed both Houses of Congress, and Minnesota, Arkansas and Missouri are sure to pass. The total amount of lands given to railroads will not vary much from twenty-five millions of acres.

The roads take every other section for six miles each side of the line of the road, and where land has been preempted or entered within the six miles, then the road can select alternate sections anywhere within fifteen miles of the line of the road, until it gets a quantity in the aggregate equal to what it would have had had no entry or preemptions been made on the six miles.

The land reserved to the government within the six miles is doubled in price. These grants necessarily shut up all the principal land offices in the above the above states for a year or two; this has caused the great decline in warrants. When the offices open, the Governments alternate sections are to be offered at auction, under a limit of $2,50 per acre, cash; after which, what is not sold can be entered with one-half warrants and one-half cash.

Caution to Western Merchants.

WOLFE'S
SCHEIDAM AROMATIC SCHNAPPS.

THIS CELEBRATED MEDICINAL BEVERAGE IS manufactured at the manufactory of the undersigned, at Scheidam, Holland. He is the sole importer, as well as the exclusive manufacturer of the article, and no preparation bearing the name of "Schnapps," that is not procured either from his establishment in New York, or from his agents in other cities, is genuine and reliable.

It is made from barley of the finest quality, selected with great care from the products of the most celebrated grain growing districts, is flavored with the essence of the aromatic Juniper Berry of Italy, and is rectified by a peculiar process, which expels from the spirit every acid particle.

As a means of preventing and correcting the disagreeable and often dangerous effects produced upon the stomach and bowels by a change of water—a visitation to which travelers, new settlers, and all unacclimated persons in the West, the South and South-west are peculiarly liable—the Scheidam Aromatic Schnapps will be found absolutely infallible; while in cases of dropsy, obstruction of the kidneys, diseases of the bladder, dyspepsia, and general debility, it is recommended most emphatically by the most distinguished members of the medical profession.

It is put up in quart and pint bottles, in cases of one dozen, with the name of the undersigned on the bottle and cork, and a fac-simile of his signature on the label. For sale by all respectable druggists and country merchants

UDOLPHO WOLFE,
Nos. 15, 20 and 22 Beaver Street, New York.

CAUTION TO THE PUBLIC.

Since the introduction of my Scheidam Schnapps into the United States, a number of Liquor Mixers in New York, Boston and Philadelphia have commenced putting up mixed and poison Gin, and calling it Schnapps; that name belongs expressly to my article, all others are counterfeit and impositions on the public.

Caution to Persons who drink at Bars and Hotels.

Numerous complaints are made of persons who keep Bars on Steamboats and in Hotels, who fill my empty bottles with common Gin, and sell it to the unsuspecting for my SCHEIDAM AROMATIC SCHNAPPS. I would therefore advise all who drink the Schnapps at such places, to MARK THE APPEARANCE OF THE BOTTLE; and if the outside wrapper or label should be defaced, to REFUSE TO DRINK unless A FRESH BOTTLE IS OPENED.

CHILLS AND FEVER.

TO THOSE who are afflicted with this disagreeable and baffling malady, we would state, that after years of hitherto unavailing research, a medicine has been discovered which will, in every case, effect a certain and permanent cure of this dreaded disease. It is not a quack nostrum prepared to extract money from sufferers, for the proprietor offers to refund the money if a cure is not effected after following the directions. He is assured by the evidence of hundreds of cures which they have effected, that this medicine is in reality the remedy so long desired in the Western country. This valuable medicine is prepared in the form of a pill, from the bark of a shrub, which has proved to be a perfect antidote to Malaria. They are simple and plain in their nature, powerful and active in their operation, and perfectly harmless to the system, having no other than a specific effect upon the disease which is truly wonderful. Some persons have stated that these pills must contain arsenic, or some powerful mineral, owing to their quick effect in curing this disease. The proprietor would state that he will pay one thousand dollars to any chemist who will find one particle of mineral in this composition.

Certificates of cure from persons of the highest respectability can be obtained by calling at the Drug Store of HENRY FESS, JR., No. 195 East Water street.

N. B. One great recommendation for these pills are, that they only require about five to effect a cure. Enquire for THAYER'S OMEGA PILL, for the immediate cure of chills and fever or intermittent fevers of every description. Prepared and sold wholesale and retail by FRED. W. THE ONLY MEDAL AWARDED

BY THE NEW YORK EXHIBITION TO THE English or Foreign Sauce Manufacturers, has been obtained, amongst numerous competitors, by LEA & PERRINS, for their

WORCESTERSHIRE SAUCE,

whereby further testimony is afforded of its being the best Sauce extent.

The celebrity of this Sauce has extended to every quarter of the globe, and its efficacy in promoting the general health, is becoming daily more observed and acknowledged.

In the United States it is held to be the most agreeable condiment, and is esteemed for its tonic and invigorating properties, its habitual use enabling the stomach to digest the food.

On the Continent of Europe, these qualities have been testified to by a gentleman, who writes to LEA & PERRINS thus: "I have carried a bottle of your Worcestershire Sauce in a tour I have just completed through Spain and Portugal, and believe I owe my present state of health to its use; your Sauce is stomachic, and I think medicinal. I can, with truth, say there is nothing in a traveller's baggage so essential to the comfort, at least in these countries, as your Sauce."

In India, also, where it is found at the mess of every regiment, a medical gentleman writes from Madras to his brother in the same profession at Worcester, in the following terms: "Tell Lea & Perrins that their Sauce is highly approved in India, and that it is, in my opinion, the most palatable, as well as the most wholesome, Sauce made."

This Sauce is suitable for every variety of dish, and the universal demand which its excellence has created has led to many imitations being offered to the public, under a variety of names, but the genuine may be known by the names of "LEA & PERRINS" being impressed upon the patent metallic capsules, or patent glass stopper of the bottle, as well as the labels and wrapper.

☞ THE IMMENSE MASS OF TESTIMONY IN favor of Hoofland's German Bitters, convinces us that the article is all it is represented to be, and in consequence we advise a trial of it by those afflicted with diseases for which it is recommended.

R. CHATFIELD, Esq., said:

LOWELL, Dodge Co., Wis., Nov. 1, 1851.—"Over a year ago I sent some money to you from Canada, and received some of your German Bitters, which I used and found great relief from. My health has improved to such a degree, that I am again able to attend to my business. A large number of the dispeptics in this neighborhood have had to send to Milwaukee for the medicine. An agent here could sell large quantities, as I know it to be a sure cure."

Samuel Moore, Platteville, Wis.; James L. Manville, Jefferson, Wis.; Holden, Kemp & Co., Janesville, Wis.; and others in that State, have also expressed their great confidence in the virtues of the Bitters. See advertisement.

A HUMAN LIFE SAVED.

DOWAGIAC, Mich., March 11, 1852.

J. A. RHODES, Esq.—Dear Sir:—As I took your medicine on consignment, "no cure, no pay," I take pleasure in stating its effects as reported to me by three brothers who live in this place, and their testimony is a fair specimen of all I have received:

W. S. CONKLIN told me—"I had taken nine bottles of Christie's Ague Balsam, and continually run down while using it until my lungs and liver were congested to that degree that blood discharged from my mouth and bowels, so that all thought it impossible for me to live through another chill. The doctors, too, did all they could for me, but thought I must die. Nothing did me any good until I got Rhodes' Fever and Ague Cure, which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and produced a permanent cure in a short time."

H. M. CONKLIN says:—"I had been taking medicine of as good a doctor as we have in our county, and taken any quantity of quinine and specifics without any good result, from 25th August to 17th December. But seeing how nicely it operated on my brother, I got a bottle of RHODES' FEVER AND AGUE CURE, which effected a permanent cure by using two-thirds of a bottle."

S. M. CONKLIN was not here, but both the other brothers say his case was the same as H. M.'s. I sold them the medicine to both the same day, and the cure was as speedy from the same small quantity, and I might so specify.

Yours with respect, A. HUNTINGTON.

The above speaks for itself. Good proof as it is, it is of no better tenor than the vast number of like certificates I have already published, and the still greater amount that is continually pouring in to me.

One thing more. Last year I had occasion to caution the public in these words:

"*I notice one firm who have taken one of my printed circulars, substituted the name of their nostrum for my medicine, and then with brazen impudence end their pamphlet with the exclamation, 'Let the proprietor of any other medicine say as much if he dare,' &c.*

Now I take pleasure in saying that the Caution referred to the same "Dr. Christie's Ague Balsam" that is mentioned in the above certificate.

There are several other industrious people who are applying to their poisonous trash all that I publish about my Fever and Ague Cure, or Antidote to Malaria, except the Certificates of Cures, and the certificate of the celebrated Chemist, Dr. James R. Chilton, of N. Y., in favor of its HARMLESS CHARACTER, which is attached to every bottle. These will always serve to distinguish my medicine from imitations.

Fever and Ague—an Infallible Cure.

WE DEFY THE WORLD to produce any medicine which does not contain Quinine, Arsenic, Mercury or any noxious or deadly compound, to cure this annoying disease so effectually as Carter's Spanish Mixture. While it contains none of the above named dangerous articles, yet it possesses a power in relieving and curing Fever and Ague which cannot be approached by any of those separately or in combination. It acts specifically on the Liver, purifies the Blood, opens the pores of the Skin, and assists nature to expel from the system the seeds of disease, or what is as bad, the remains of the Mineral Drugs, which clog and finally destroy the constitution.

See the cure of Mr. Longden of Virginia. He had chills twice a day for 3 years, nothing would relieve him until he tried Carter's Spanish Mixture, only 3 bottles of which effectually restored him to health, nor has he had a return of the disease since. may20d1m

POLICE COURT, JUNE 9.

BEFORE CLINTON WALWORTH, POLICE JUSTICE.

De'Pitch de Marquis, Edward Conner, Michael Kennedy and Patrick Kennedy were each fined $1 for drunkenness and disorderly conduct. Joseph Bolger, drunk, second offence, fined $2. Patrick Cahill, disorderly, fined $3.—John O'Neill, drunk and disorderly, fined $3. John Doe, charged with violating hay ordinance, warrant issued.

Caroline F. Graiser was examined on a charge of stealing five aprons of the value of 50 cents each, the property of a man named Richards; defendant committed for trial. David Carey, for violating bridge ordinance, fined $3.

COMMON COUNCIL PROCEEDINGS LAST NIGHT.—Ordinances passed for a public square and for a market square in 7th Ward; also for a market square in the 5th Ward. Chief of Police was directed to remove certain nuisances under the ordinance relating to slaughter houses. An amendment to the dog ordinance, compelling every dog to wear a ticket, with a number upon it, and a corresponding ticket or number to be left with the Chief of Police, so that they can know what dogs are licensed; amendment passed, and dogs to be ticketed. Council adjourned to Saturday night next, at ½ past seven.

PARODI'S CONCERT.—Every available seat in Concert Hall was occupied last evening by one of the largest and most brilliant audiences we remember to have seen in our city. PARODI, PATTI and STRAKOSCH, were welcomed, as they appeared, like old friends, and listened to with rapt and delighted attention. STRAKOSCH played as only he can play, drawing from the piano the most delicate tones and prolonging his liquid notes till they seemed to die away in the distance. PATTI sang her ballads charmingly, was encored in every one, and kindly responded to the repeated calls of the audience. PARODI was in glorious voice and sang superbly. She is, indeed, a magnificent artist, and while her "Steel Waltz" and "Come Bello" satisfied the critical taste, her "Star Spangled Banner" fairly roused the patriotic enthusiasm of the audience. She was applauded to the echo and was called out at the close of each piece. The Concert throughout was eminently successful, and left a most agreeable impression.

To-night Parodi and her party sing at Madison and to-morrow night at Janesville. We envy our fellow-citizens of these towns the rich treat that awaits them.

DROWNED.—On Friday evening, a boy named JOHN SUTER, while bathing in the Menomonee, was drowned, his body not being recovered till the next morning. He is supposed to have been taken with a cramp. The boy was about 15 years old; his father, Martin Suter, lives in the 4th Ward, and the family were among the passengers on the unfortunate *Sebastopol*.

We are indebted to policeman Smith, of the 5th Ward, for the information.

COLD SPRING COURSE.—The races next week promise to more than usually splendid and attractive. Mr. DIMOCK, the new lessee of the course, has had it put in capital order, and proposes to keep good order and good company. The races open on Monday, and continue through the week. We learn that the following horses are expected to enter the course:—*Black Ralph, Jack Rossiter, Jr., Reindeer, Fashion, Lady Kate, Columbus, Canada, Chautauque Chief, Trifle, John Tone, Lo Grey Eagle, Fanny Wood, Sellim, George Law, Turk Smith, Andrew J. Polk*,—and others.

THEATRE—LAST NIGHT—BENEFIT OF MRS. THORNE.—The Theatre closes this evening, after a short and not very successful season. The Manager has been unwearied in his efforts to please the public, and has been well seconded by the members of his Company; but Young's Hall is not adapted to Theatrical performances and the public soon grow tired of going there.

To-night, however, an appeal is made in behalf of Mrs. THORNE, who takes a benefit and deserves a bumper. She is a capital actress, and has striven hard to earn the good opinions of the public. The bill is an excellent one, and the Hall *ought* to be crowded.

PROF. MUNDER'S SOIREE.—This evening, at Concert Hall, (Light Guards Armory,) Prof. MUNDER, from Washington, who is about to open dancing classes here, gives an exhibition,—free to those to whom cards have been sent, or who may call for them,—to introduce his style of dancing. If there were any way in Washington by which such villains as Brooks could be made to dance to the satisfaction of the public, we should like to see it tried.

MORE HANDSOME STORES.—Messrs MAHLER & WENDT have the piles mostly driven for sustaining those two large and handsome stores, each 27 feet front, by 120 feet deep, which they are building near the foot of East Water Street. They drive over 1000 piles, at an expense of $1,600. The stores are to be brick, with stone and iron fronts, similar to H. J. Nazro & Co's building, and will cost, exclusive of the ground, $25,000.

OMNIBUS LINE HOURLY.—Messrs. S. B. & J. Davis commenced running yesterday a street Omnibus Line from Vliet street, near the mills in Kilbourn Town, to the Niagara House in the Fifth Ward, passing along any point on East Water Street every half hour. Fare 6¼ cents.

STEAM TUGS.—Two snug, neat little steam tugs, built at Philadelphia by the builder of the *Gordon Grant*, and of the same model, were in port yesterday, bound for Chicago.

FOR COLLINGWOOD.—The splendid steamer *Queen City*, so admirably fitted up for passengers, will leave for Collingwood, calling at all intermediate ports, to-morrow, Wednesday morning, at 9 o'clock. For passage, apply to L. D. Jerome, on Huron, near Main street.

FOR BUFFALO.—The first class propeller *Toledo*, of the A. T. Co's line, leaves this morning at 8 o'clock. For passage, apply to JOHN GRIFFIN, corner of Main and Huron Sts., near the American Express Office.

Conrad Meyer, for assault and battery upon Caroline Dark, was fined $10 and costs.

Several minor cases of complaints, for violating ordinances. Some warrants issued.

TRUE NOBILITY.—A MOMENTOUS DECISION.—"All Work, even cotton-spinning, is noble. Work is alone noble. Be that here said and asserted once more," so Carlyle says. But we must remember that there are degrees in nobility. The highest nobility is the nobility of beneficence. An honest man, says the poet, is the noblest work of God. We have no hesitation in extending the apothegm. The noblest work of God is the man who is not only honest, but who does the greatest good. The greatest of all temporal blessings is Health. And, as the mental condition is controlled by the physical, the effects of Health can hardly be regarded as terminating with a mere temporal benefit.

Then, who is the greatest of all human benefactors?—He obviously, who enables us to restore health that has been deteriorated, and to preserve Health that is good. The secret of restoring and preserving health has been the great aim of the modern philanthropist, as it was the philosopher's stone of the ancient alchemist.

The secret has been discovered, its discoverer proving himself thereby not only the greatest philosopher but the greatest philanthropist the world ever saw. The question, "Who is he?" has been asked by millions and answered to them; and they have rejoiced. *Professor Holloway* has conferred more blessings on humanity than have all the "soi-disant" social reformers and pseudo-philanthropists the world ever saw. The fame of his Pills and Ointment has penetrated to the remotest confines of the earth, and their use has diffused health and all the happiness that follows health over countless thousands. From the ice-bound capes of Lapland to the sunny shores of the Mediterranean, from the hoary summit of the Ural Mountains to the eastern shores of the Atlantic, there is not a city, town or village of any note, in which they are not met with. The missionary takes little else in his medicine chest; the sailor never needs a more varied supply for his. They are peculiarly adapted to the diseases incident al to the American climate. They have never failed here or elsewhere. Friends, we indulge in no exaggeration; we defy contradiction, because we state what we know to be true. If you are ill, try these Medicines, and then say whether our statements are baseless. We are confident of your decision.—*New Orleans Picayune*. je10d&wlt

je10 CALEB WALL.

CITY AUCTION ROOM.

IT is seldom that I say much about watches and jewelry, but in this case to which I am about to call your attention, I can say in truth, that the best assortment of Gold Watches and Jewelry that I have ever seen is now on sale at Public Auction, to commence this Tuesday Evening at 7½ o'clock, and through out the day at private sale. The gentlemen who have the Gold and Silver Watches, Diamond Rings and ten thousand other things, are men of high responsibility and expect to remain here for one month, at my store. Any articles they represent, if they do not prove as represented, I am authorized by them to take them back and refund the money. This is what is seldom done in an auction room, but I have adopted this course, feeling that I am personally responsible for all that is sold and done in my store. And as I have a great interest in Milwaukee, and feel identified in all her interests, I am bound to protect those who are identified with me. And in view of all that is going to pass, I must remind you that on June the 13th, at 10 o'clock, I am going to sell two hundred most beautiful lots in the First Ward, known as Murray's Addition.

This is a good chance for every one to make money out of a small investment, and Murray is determined to have the lots sold. This is a chance that will not offer again in the next 10 years. Why, only think of it—the terms one-fifth cash, balance in 1, 2, 3 and 4 years, and as sure as Milwaukee remains on Lake Michigan, the lots in Murray's Addition will be worth six times as much in some future day, as they will sell for on the 13th of June.
CALEB WALL.

CITY AUCTION ROOM.

SIX O'CLOCK REPORT.

Important from Oregon.

NEW YORK, June 8th.

Important despatches from Oregon are received. An attack was made by 400 Indians at the Cascades; 17 of them were killed, 12 wounded, and the Chief and 13 warriors captured.

Congressional.

WASHINGTON, June 9th.

Mr. Trumbull's bill in relation to Kansas was referred to Senate Committee on Territories.

(We could not make out the balance of this part of the report.)

Mr. Trumbull defended his bill as a temporary measure, intended to restore peace in Kansas, where a state of things existed which all must deplore, and did not wish it referred to the Committee on Territories, so as to withdraw it from the Senate. Douglas promised to report it at an early day.

He further said that there was a way to restore peace in Kansas,—by the people submitting to the laws—Instead of compelling the rioters and rebels to submit, it was proposed to put them under the laws of another Territory. If his colleague thought the Nebraska bill was understood differently north and south, he had better read the proceedings of the Convention at Cincinnati.

The principles of the democrats of all sections were there proclaimed unanimously.

After some further debate between Douglas and Trumbull, the bill was referred.

"PRO BONO PUBLICO."

W. LAIDLAW'S LAND AGENCY, office 230 East Water Street, 2 doors south of Walker House. I beg to return thanks to the public for the liberal patronage bestowed upon me during the time I have been engaged in the real estate business, and I do so with all the more pleasure on account of having received the most striking proofs of the manner in which my services are appreciated. Those who have patronized me know well, and will cheerfully testify to, the advantages which I offer. My principles are straightforward, honorable and honest. I never require any one having the sale of property in my hands, to sign any written obligation of whatever nature or kind soever, binding him to pay a commission anyhow, but adopt the principle of "*No sale no charge*." The great increase of business has compelled me to enlarge my office, which, now being finished, is the most convenient and desirable in the city, and as the list of property I offer for sale is second to none, I would strongly recommend those who wish to be well served to make my office their head quarters. I have prepared a new map of the city, which exhibits at one glance, and in striking colors, all the best and most desirable property offered for sale. may17

The Greatest Chance Yet!

HEAVY TIMBER LANDS AND WATER POWER for sale or exchange for city property. Any man who has energy enough to undertake the management of a money making business, will here meet with an opportunity but rarely offered. I will sell 320 acres of heavy Timber Land 8 miles from this city, on the La Crosse Railroad, and near a Depot. There is a river running through the land with a fall of 18 feet, which, if improved will constitute a water power of the very best description. The dam can be built at a very small cost.—The timber is all hard, and whoever undertakes to erect a saw mill on this property, to furnish hard lumber for this market, by availing himself said Railroad to haul it into the city, will secure to himself in a couple of years an independency. Lumber is a cash article, the demand is far exceeding the supply, and is increasing daily. I will sell this land at a bargain, or exchange for city property.

Famous Chance for a New Comer or an Old Settler!

VALUABLE FARM AND WATER POWER for sale. I will sell one of the best farms in the State, with a moderate cash payment, and on easy terms, or exchange same for city property.

Said farm is situated 20 miles from Milwaukee, on a Plank Road, and 3 miles from a depot on the Milwaukee and Mississippi Railroad, and comprises 280 acres, of which 239 acres are fenced, improved, and partly cropped. There are on said farm one frame house, one log house, one large frame barn and any number of sheds, &c., a fine orchard, beautiful springs and a running stream with a considerable fall, the dam is built and a large portion of timber collected on the spot for the erection of a mill, which in that neighborhood would prove a largely paying investment. The property is owned jointly by two parties, who are desirous of dividing and settling up their joint interests, and for this reason offers a rare chance for an enterprising man to make a good strike.

HAS established Mrs. H. P. PECKHAM, No. 195 Van Buren Street, as her General Agent, to teach her new and simple method. This is entirely different from any other rule, and the most simple and accurate in the United States. Ladies are invited to call and see for themselves. *They can take a lesson, and if it be fitting at [illegible], and not satisfied, no charge made.* It can be learned in a few hours so as to fit Dresses, Basques, indeed almost any garment, perfectly. She will cut dress patterns for 25 cents, or basque patterns for 50 cents. Rules given for the outside and skirt.

Those wishing a pleasant and lucrative business, either located or to travel, can become Teachers by applying to

A Solemn Ballad.

CONTAINING MORE TRUTH THAN POETRY.

"The silks brought to this country exceed in value, by eight millions dollars, all the flour that we send abroad. During the year 1852, $1,374,677 worth of coin left our ports, and cigars valued at $6,311,955 were brought in. Of beef, tallow, hides and horned cattle, we sold for other countries only $2,211,551 in the commercial year, and during the time we bought brandy to the amount of $3,241,495."

Three leading principles have we;
An Orion's belt of stars,
To guide the nation of the free;
Silks, brandy and cigars.

Were battle here, we'd bravely fight,
And would not shrink for scars;
But oh—we'd tremble should we miss
Silks, brandy and cigars.

We fear the loss of trash and smoke
And rum, much more than wars;
We're ripe to fight—but can't give up
Silks, brandy and cigars.

Americans, ye are not now
Like your old pa's and ma's;
They gave up tea, and with it, too,
Silks, brandy and cigars.

But you go on—lock'd fast and tight,
'Twixt French and British bars;
Selling your birthright—and for what?
Silks, Brandy and Cigars.

"OUT WEST."—The Lansingburgh, N.Y. *Gazette* illustrates the general tendency of humanity thereaway as follows:

The other morning we missed the peculiar ring of our milkman's bell, substituted by a tinkle on another key.

"Where is Peter Ham?" we asked of the stranger.

"He's sold out to me and gone West," was the response.

A day or two since we stopped at the fence of Mr. James Lea's beautiful garden.

"Where's Mr. Lea?" we asked one of the family.

"Prospecting out West," was the reply.

"Is Mr. Charles Hitchcock in?"

"No sir, he's out West."

"I shall move the 1st of May," says Mr. Andrew Derrick.

"Where?"

"Out West."

And so we might go on to the end of the chapter.

Why, "Land of Goodness," as the old woman said—what is to become of us at this rate? such another Exodus was never known in our town. Our d—ahem—(we almost said a bad word) is tired mailing papers to the West. We hope there will enough remain to bury those who cannot get away. In Waterford they have the Western Fever so bad, that some of them go off between two days.

F. M. LANE'S
PERMANENT GLOSS PAINT.
Important Improvement in Painting!

A PERMANENT GLOSS PAINT for interior work has long been a desideratum. All paints prepared from Linseed Oil, will rapidly turn from the lightest and most opposite tints to the yellow color of the oil itself; the change being the more rapid as the paint is excluded from the full light of day.

The subscriber, after a sufficiently long experience in its use, can recommend it as the only Gloss Paint in which this important defect is effectually remedied. This beautiful paint can be applied of any color, from the purest white, resembling enamel or porcelain, to all the different varieties of tints, suitable for private dwellings, Churches, Hotels, &c., whilst in brilliancy and richness of surface it surpasses all other paints; it possesses superior advantages in retaining permanently even the most delicate colors with which it is combined.

Also, Plain and Ornamental Painting, decoration of Private Dwellings, Churches, &c., Sign and Fancy Painting.

The old Eagle going it with a Rush!

THE EAGLE
STEAM FOUNDRY!
—OF—
TURTON & SERCOMB,
296, 298, 300, 302 and 304 West Water St.,

IS STILL IN FULL BLAST, WORKING DAY AND night to supply the daily increasing wants of the Badger and other States.

In order the better to do this, the proprietors have erected a large brick Foundry in addition to their former premises. They have added to their stock of Tools a large Planing or Shaping Machine, three Lathes, and a Machine for making bolts, and are now putting in a Steam Engine of — horse power to drive the whole, thereby adding to the former facilities for the successful carrying on of the Foundry, Machine, Engine and Blacksmithing business. They never were in a better position for doing business, and

in any department.

In regard to the character of the work got up by this

The Oldest Establishment in the State

the Proprietors refer to that in successful operation through the country as their best recommendation, as it can speak for itself. All they can say is, that they are both PRACTICAL MECHANICS, and know how work should be done as well as the next man.

They continue to manufacture FLOUR and SAW MILL GEARING, and STEAM ENGINES, on the most approved principle.

They have always on hand a large stock of BRASS WORKS, such as GUAGE AND CYLINDER COCKS, OIL CUPS AND COCKS, and STEAM WHISTLES. Also TURTON'S FILES, which they will sell at the lowest cash price.

They are also Agents for EASTMAN'S PATENT STEAM GAUGES, which are well worth the attention of all those who use Steam Engines.

In conclusion, they invite a continued share of the patronage of their old friends, and solicit a call from all those in want of Saw or Flouring Mill Work, assuring them that no exertions will be spared to render the Old Eagle worthy of the reputation it has already gained.

Their motto is, "*Excelsior.*"

MEDICAL.

HELMBOLD'S GENUINE PREPARATIONS

HELMBOLD'S HIGHLY CONCENTRATED
Compound Fluid Extract Buchu.

A CERTAIN, safe, and effectual remedy for Diseases of the Bladder, Kidneys, Gravel, Dropsy, Obstructions, Female Complaints, and all Diseases of the Sexual Organs, whether in Male or Female, from whatever cause they may have originated, and no matter of how long standing.

This popular and specific remedy is now offered to the afflicted, and guaranteed to cure all the above complaints. It searches out the very roots of the diseases, driving out all the diseased dabris of the body, thus removing the cause and rendering the cure certain and permanent.

This medicine allays pain and inflammation, which other remedies invariably cause, and can be taken with less trouble and expense to patients. This infallible remedy has saved thousands from the hands of merciless quacks, if not from premature graves. In cases of infections, the Compound Buchu is the only article worthy of the least confidence of the afflicted in performing safe cures. It contains no narcotic, or other injurious drug, but is a purely VEGETABLE COMPOSITION. It is very agreeable to the taste, creates no perceptible odor, and may be taken by persons of either sex, without hindrance from business or medical advice, as plain directions for use accompany the medicine. Reader, if you have any of the above complaints, do not neglect them; DELAYS ARE DANGEROUS. With this medicine you can cure yourself, and thus prevent all exposure.

Truth must and will prevail. This medicine speedily and effectually cures the most virulent form of secret diseases, and eradicates every particle of infectious matter from the system, restoring the patient to a perfect state of health and purity. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found, it acting both as a cure and preventive of any of the above ailments.

HELMBOLD'S HIGHLY CONCENTRATED
Compound Fluid Extract of
SARSAPARILLA.

For purifying the Blood, removing all diseases arising from excess of Mercury, exposure and imprudence of life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Pimples on the Face, and all Scaly Eruptions of the Skin.

It is gratifying to the proprietor of these medicines to be able to state that it is now nearly three years since they were first introduced, during which time they have been extensively used in various parts of the United States, and have given to patient and practitioner the highest degree of satisfaction in the various cases in which they have been employed; whether in town, country, hospital, or private practice, they have invariably given the most decided and unequivocal satisfaction and produced the most salutary and beneficial effects. Numerous letters have been received from the most distinguished physicians in the country, and from the professors of several medical colleges, recommending in the highest terms the value of these medicines and their superiority over all other preparations for such complaints as the proprietor recommends. Numerous preparations of Sarsaparilla and of Buchu, and various modes of preparing them have been given, all of which of course will differ according to the mode of preparation which each individual may adopt.

These medicines require considerable care in the preparation and the employment of different menstrua in successive operation to take up the extractive matters, and in consequence, are most frequently improperly made, and not unfrequently much impaired, if not rendered totally inert, by the injudicious and unskillful management of those unacquainted with pharmaceutical preparations.—It is, therefore, of the highest consideration and importance to the public and to the faculty that there should be standard preparations of uniform strength and possessing the most advantages. To effect this and obviate the evil alluded to, I have made a number of experiments to ascertain the most effectual mode of extracting the virtues of the Sarsaparilla and Buchu, and to discover the most eligible form for their exhibition. The experiments have resulted most favorably, and it is with much pleasure I now offer to the public and the faculty my Compound Fluid Extracts, which contain all the virtues of the articles they are represented to be made from in a highly concentrated form, and are the most active preparations which can be made. Two tablespoonfuls of the Extract Sarsaparilla added to a pint of water, is equal to the Lisbon diet drink, and one [illegible] gth, one gallon of Syrup Sarsa[illegible] usually made.

PRICE.

Fluid Extract Buchu, — $1 per bottle or 6 for $5

Certificates of cures and recommendations from distinguished professors and physicians will accompany each preparation. Prepared and sold by

DR. WEAVER'S
CANKER & SALT RHEUM SYRUP & CERATE.

IT IS AN UNDISPUTABLE FACT THAT the above medicines are the only infallible remedies now before the public for cutaneous Eruptions, Salt Rheum, Erysipelas, Sore Legs, Ulcers, Old Fever Sores, Scald Head, Scorbutic Eruptions, &c., &c.

Cases that the most eminent Physicians have despaired of relieving, immediately yielded to their active powers, and when used in accordance with the printed directions, which accompany each bottle, the Syrup and Cerate combined eradicates any of the above named diseases, and leaves the sufferer without a blemish. These medicines are too well known to require anything more than a plain statement of facts. The joyful intelligence is aching us daily from East, West, North and South, of wonderful cures they are preforming.

See what is said by those who have used these medicines:

The Rev. Samuel Henry, of Palmer, Mass., says, "they have done me more good than all the other medicines I have used for Erysipelas."

Capt. William Vail, of the steamer Granite State, says: "they have cured my daughter of Salt Rheum and Scald Head of six years' standing. She was literally covered with sores; is now perfectly cured by the use of the Syrup and Cerate."

Dr. A. J. Johnson, of North Wardsboro, Vt., says, "a Scrofulous disease of the hip joint, and Scald Head in the same child, have been cured by the Syrup and Cerate."

Rev. August Rolles says "it has cured the Salt Rheum in my leg."

J. Hatfield Prarer, Esq., editor of the Somerset Whig, Somerville, N. J., says "my mother has been completely cured of a severe case of Tetter of long standing, that had defied the skill of the best Physicians."

Hon. Joel Loomis, of East Lyme, Conn., says, "I was completely cured of Erysipelas in my legs, after a council of the best Physicians in the County had pronounced the disease incurable, (at my age which was seventy-eight years, but Weaver's Syrup and Cerate did the work at once."

Elias Latham, Esq., of Orient, Long Island, N. Y., says, "I hardly know how to express my gratitude to you and your medicines. I have been afflicted for more than thirty years with Salt Rheum in its worst form. I tried several Physicians in New York, Brooklyn and Greenport. I have dieted and taken medicines enough to float a pretty large boat, but they did me no good. I have taken your medicines one year, and am now able to work and sleep well, without an ache or a pain, and my neighbors say I am the sprightliest man on the Island."

The Rev. J. S. Swan, of New London, says, I have used the Syrup and Cerate in my family for more than a year and I consider it completely adapted to sustain the high reputation that is claimed for it. I have seen it used in number of cases for Salt Rheum and Erysipelas, with entire success.

Ask Seth Prisbery, of Taunton, Mass. what the medicines will do; ask William Barber, of Three Mile Bay, Jeff Co., N. Y., what the syrup has done for him; ask G. F. & W. H. Boynton, of Perkinsville, Vt.; ask F. L. Kent, of Chicago, Ill; ask Martha Cottle, of Martha's Vineyard, Mass; ask Wm. F. Keables, or Wm. P. Benjamin, Esqs., of New London; ask Dr. H. M. Murdock, of Pulaski, N. Y.; ask J. O Smith, of Brooklyn N. Y., who was cured of Scrofula, after losing his leg by the disease, and suffering for years, has been perfectly cured by the use of the Syrup & Cerate; ask Curtis Burrough, of Shelby, N. Y., who has been cured of a severe case of Salt Rheum; ask Chas. Akle of Hume, N. Y., what the Syrup and Cerate will do for sore legs; ask Winslow and Slafter, Merchants, Virgil, N. Y. what it will do for Fever Sores. In a word, ask every body who has ever tried these wonderful medicines, and the answer will be the same—THEY CURE.

CHAS. PREUSSER,

TAKES PLEASURE in announcing to his friends and customers, and the Public generally, that he has removed to his new and elegant Store, built by him expressly for his rapidly increasing business, on the corner of East Water and Mason Streets, opposite the Walker House and Post Office. Where he is receiving almost daily additions to his large stock of

CLOCKS, WATCHES, JEWELRY, SILVER AND PLATED WARE, FANCY GOODS,

in fact of everything usually to be found in a well assorted business of this kind.

As his stock is all new, of the latest and most fashionable styles, purchased direct from manufacturers and importers, and will be sold at a very small advance, he flatters himself that both Prices and Goods will give general satisfaction.

The Repairing of Watches and Jewelry will be as heretofore under my personal superintendence, and I have engaged help enough to do all work with despatch. Thankful for the kind patronage, so liberally bestowed upon me during the past Eleven years by the Milwaukee Public, my friends and customers may be assured that no effort of mine will be wanting, to merit a continuance of the same.
